

## How are Your New Coworkers?

### *"Working from Home"*

We are undoubtedly all a little tired of getting those emails by now. You know the ones -- "This is what we're doing during this time of COVID-19," from every single vendor, service, or idea at which you've ever glanced sideways. However, it is indeed a strange (and serious) time, that has many people both rattled and upheaved from their normal routines.

The Tamaskan Dog Register wants to assure you that we are here, and ready to help you and your dogs as much as we can. Just send us an [email](#), post in the breeders' group, or Messenger anyone on the staff! Otherwise, stay safe and stay healthy.

## Tamaskan of the Month

### **Fuhsahz Ninian**

*"Roek"*

*Inara (Groendael) x Blustag Bearberry*

*From her owner, Lynn Holtjer, "Roek came from the first Groenendaeler outcross litter. Her mother was a wonderful dog and was a service dog to her owner. Roek inherited a lot from her mom. She is the sweetest and gentlest dog I've ever met and she is very easy to train. The only thing she hardly ever wants to do is play fetch, one of the few things she inherited from her father. She just became a mom herself and she absolutely loves her babies, she is an awesome mother!"*

Roek resides at [Morass Tamaskans](#), in the Netherlands.

## TDR Staff Changes

The TDR would like to announce the revitalization of a committee dedicated to keeping the website up to date! We are also thrilled to announced that Brandon Slater and Sebastian Marino have joined us as the start of this group. They didn't provide us with photos of themselves to use for the newsletter, but they are happy to show off their dogs "working" from home.

If you notice anything with the website, have any ideas for it, or would also like to join the web team, please reach out to them using [webadmin@tamaskandogregister.com](mailto:webadmin@tamaskandogregister.com).

## From the Desk of Your Registrar

Being April Fool's Day, Alba Rynan (Ulric) wants to keep things lighthearted and share one

of his favorite jokes, punctuated by his very own meme!

If there's anything you would like to make sure is included in the next newsletter, please send us an email. If you have any questions, concerns, or comments, please also let us know. Remember, we are always looking for your dogs' stories, accomplishments, or anything else! Thank you!
