

## Year In Review

*Photo courtesy of Bernadette Greminger*

2019 has been a very busy year for the Tamaskan Dog Register. We have undergone several changes, including an updated Breeding Regulations and Code of Ethics, working with a few dedicated members across multiple registries on an updated universal breed standard, new members on our Committee of Breeders, new litters, new breeding dogs, and have reached over 1000 followers on our [new Instagram](#), just to name a few! There have been highs and lows for many of us, and we truly appreciate how dedicated our breeders are to this wonderful breed.

This year we have had:

- 159 dogs registered:
  - 16 litters
  - 7 foundation dogs
  - 11 other single dog registrations
- New breeders:
  - 10 G1 dogs moved from Conditional to Full
  - 8 newly registered TDR breeders

We hope 2020 will be just as fruitful!

We would like to remind all of our breeders to read and sign their contracts with the updated Breeding Regulations and Code of Ethics. You can find the contract and documents [here](#), please read through them, fill out the form and check the box to let us know you agree (you will **not** have to pay your registration fee again).

## Tamaskan of the Month

### Hawthorne Zion

"Kiera"

*National Parks Litter*

*Points Unknown Arrow x Hawthorne Black  
Dragon's Cauldron*

"Kiera was named after Zion National Park, in Utah, which is not too far away from her home with her owners in Flagstaff, Arizona. Kiera has a wonderfully sweet disposition, and was easy to train in basic obedience and recall. She has started dabbling in bikejor and mushing activities (yes, there is snow in Arizona)! She entered her first dog sledding event in January 2020. Kiera's owners have sponsored a West Siberian Laika outcross and intend on breeding in late 2020."

[Timberline Tamaskan](#) are looking for breeding homes for their upcoming litter, please contact them for info

## Health

We have seen various new health issues crop up this past year, from eye problems to cleft palate. Addison's and Epilepsy are still a current concern for breeders finding appropriate combinations for their litters. If anyone has any concerns or queries regarding any of these things, or has a health issue they wish to report, you can contact us at [cob@tamaskandogregister.com](mailto:cob@tamaskandogregister.com) or use the Health Report form on our website.

## 2019 Financial Report

The following is a breakdown of income and outgoings from the past year:

### Expenses:

- General Expenses: \$878.85
- Software and Tools: \$476.08
- Taxes and Legal: \$672.79
- Total: \$2027.72

### Income:

- Registrations: \$1643.04
- Donations: \$791.00
- Total: \$2434.04
- Net gain: \$406.32

Any net gain is used to help sponsor helpful programmes and activities, such as the recent ICB course.

Don't forget to send over your annual maintenance fee of \$10 if you have yet to pay it! It can be paid via Paypal to [tdr.dogregister@gmail.com](mailto:tdr.dogregister@gmail.com) and you can find our fee schedule [here](#).
